Verse 2:

I wanna be the itch that you scratch.
 Wanna be the chair when you relax.
 I got to be your razor when you shave.
 Wanna be the habit that really makes you crave.
 I wanna be your hot tub when you're dippin'.
 I wanna be your bathrobe when your drippin'.
 I wanna be your cocktail, baby, when you're sippin'.
 I just wanna be right there,
 More than anything, I swear.
 I wanna be your underwear.

Verse 3:

I wanna be your hot sauce, yeah, when you're cookin'.
 I wanna be your sunglasses; hey, good lookin'.
 I want, I wanna be the one you stick your hook in.
 I just wanna be right there,
 More than anything, I swear.
 Ah yeah, I wanna be your underwear.
